...Do you really believe you can get away?

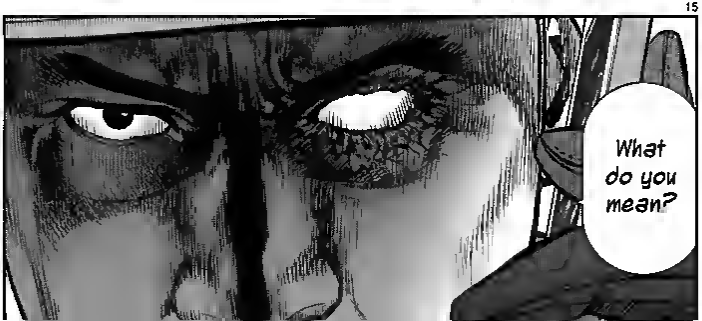
Don't worry about me.



What do you mean?

Hasta la vista, body double.

You mean you've been monitoring Kagawa in that state?
Are you sure you don't want to run away, too?

I do not tolerate betrayal under any circumstance.

Let me give you some advice. Run. It's game over
I'm in awe at your abnormal sense of caution.
I've been running for all my life here at the Babel.
That's exactly the thing I lacked.
I'm done with being the shadow
You're never going to disarm the last bomb.

You still had some service up your sleeve?
27
I am the concierge of the Babel!

There are two Concierges?

Concierge! Please, tell me where the last bomb is!!

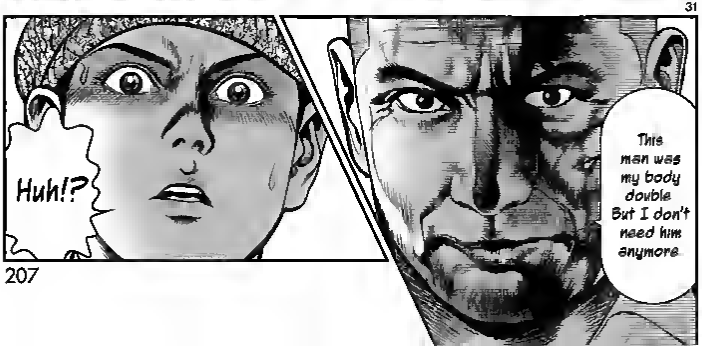
It's in this room, isn't it?
Exactly. It's here.

And he says that it's impossible to disarm
It's that voice again...

You're too careless You fail as a hotel-keeper.

His voice is different from the Concierge's... Did he get plastic surgery?

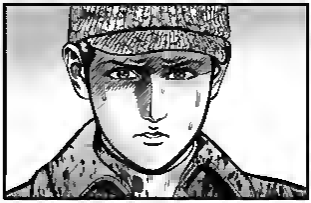
31



Huh!?
This man was my body double But I don't need him anymore.

Don't do it, Naomi!
Naomi. Kill him.

You promised to protect me Don't you want to know the truth about your wedding?



You can t get away from yourself
by
moving from one place to another
You can't get away from yourself by moving from one place to another.

Naomi. If you kill him, we'll never know where the last bomb is...
...You?
The last bomb is me, isn't it?

Yes... You are my ultimate weapon...
HUFF HUFF
Brain-washed?
I take it you've brain-washed me.

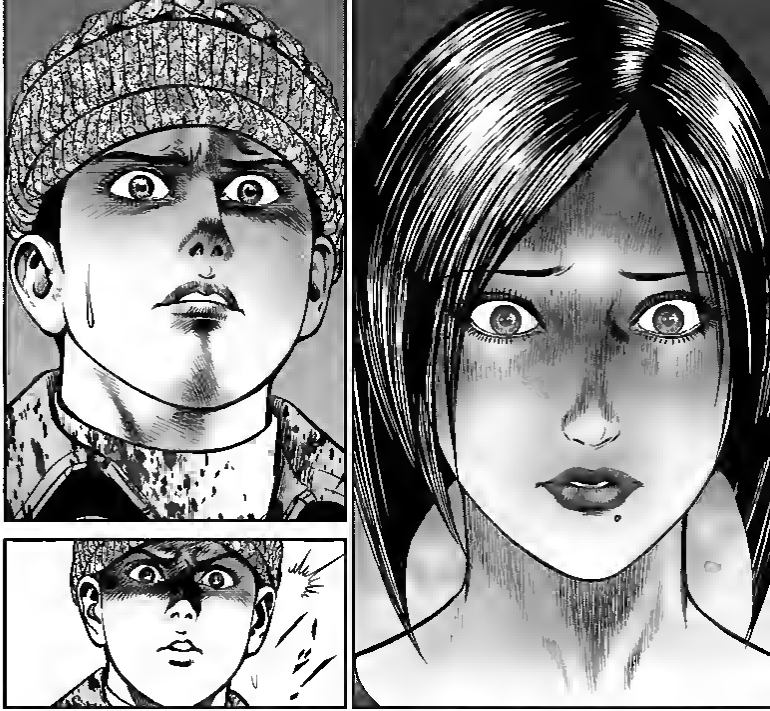
Naomi .. Your memories were re-written...
The truth is that when someone pushed the "detonator"...

You killed them all.



What kind of brain-washing did you give Naomi!?
Concierge! Tell me what the "detona-tor" is!

Do not...
Do not what?
...love anyone.
Game over.
Ahh!
Con-cierge!
43

B-But why...?

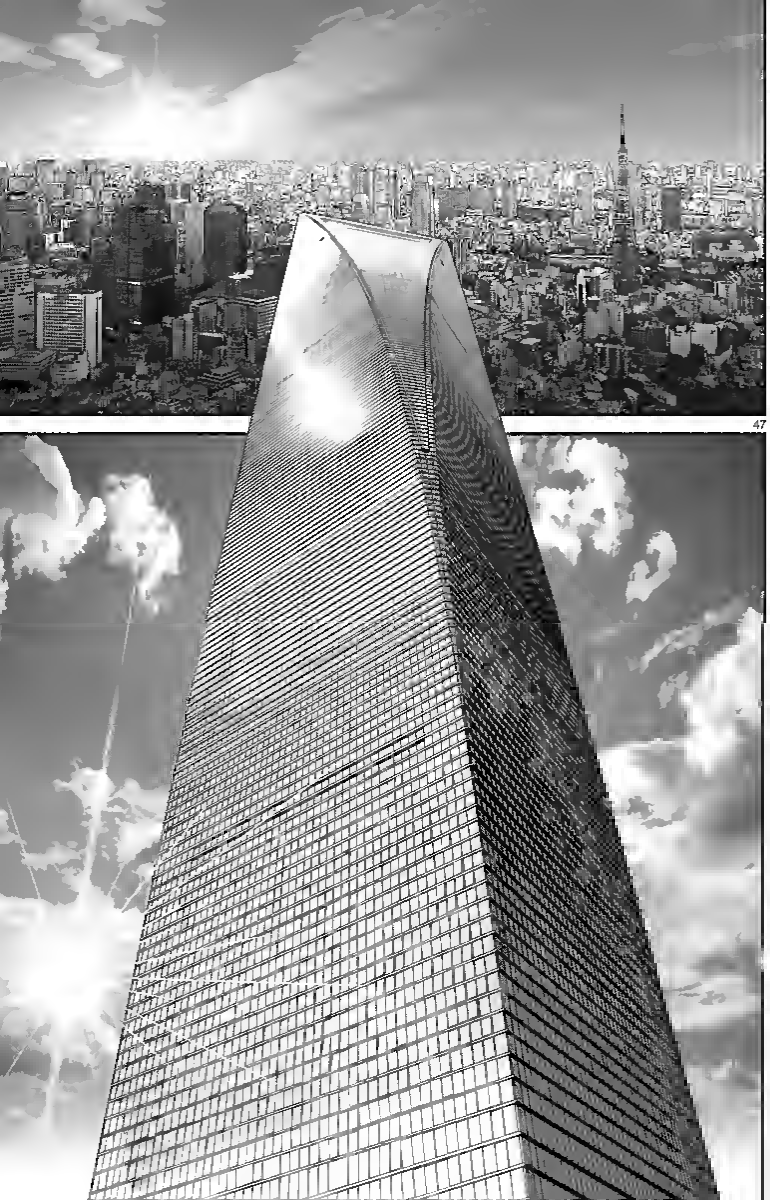
But that doesn't mean he had to kill himself!
We can't live without our jobs.

Once upon a time, a scorpion wanted to cross the river, so he asked a frog,
"Let me ride on your back."
Wait, what?

45

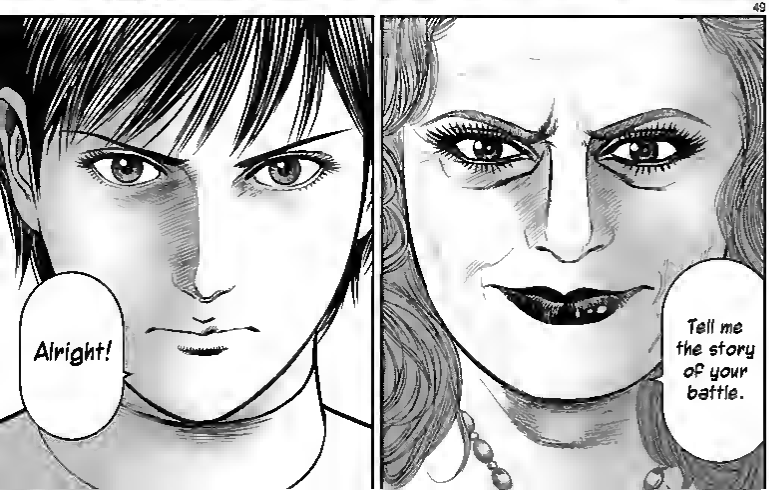
Do you know why?
...No, I don't.
But the scorpion stung the frog halfway through,
even though he knew that he would drown himself...

Because you can't resist your nature.
Yang... What is my nature?
What a miserable way to live..



You always have to get a good breakfast, no matter what.
You gotta be tough to overcome the challenges of life, you see.

Now, why don't you tell me everything?



Alright!
Tell me the story of your battle.

Fuck
